*Player (Looking at Seth, partially smiles, raises eyebrows and cocks head to the side, semi condescending voice - YOU played the prequels? I find that hard to believe, you don't look like a gamer.*

*Nurse Seth (Looking fake hurt, with a big smile, and happy/excited voice) - Really?!? I'm offended! (laughs), Just kidding! I get that all the time! I guess I will have to show you how much of a gamer I am. I will bring the console and the game in later, and we can go a few rounds of Zombies, and I'll take you down! (more laughing)*

*Player (Semi excited voice and a full smile now) - Oh yeah? Bring it, I'll take you down old man!*

*Nurse Seth (Smiling and happy voice) - Challenge accepted!!*

*Player (Happy voice) - No thank you, I am good, but I appreciate the offer.*

*Nurse Seth (Happy voice) - Ok bud, we will back in a bit to check on you. If you need anything, just push that big button over and we will come back in. I'm going to go buy the game on my lunch and bring the console and everything back so we can see who the real gamer is!*

Nurse Ryan smiles big while Nurse Seth and Player laugh and high five.

Nurse Ryan and Nurse Seth walk out of the room and shut the door. Player leans his head back with a smile and closes his eyes and drifts off to sleep.
